WATER TREATMENT

ATLAS FILTER HOUSINGS

40 YEARS OF QUALITY DESIGN AND DEVELOPMENT HAVE RESULTED IN NEW MATERIALS, NEW MOLDING METHODS, AND EXPERTISE TO CREATE THE HIGHEST QUALITY POINT OF ENTRY CARTRIDGE FILTRATION DESIGNS AVAILABLE.

FEATURES

- Three piece design available on 2" housings for ease of install
- Heavy duty stainless steel or double ring inlet and outlet design for installation integrity
- 120 psi pressure rating on both clear and blue housings
- Big 4" housings with optional 3/8" bottom drain for ease of service
- Patented twist off pressure release valve
- Patented elastomer construction
- Kits include housing, wrench and bracket

Model No.	Description	Width x Height	In/Out	
			Size	Thread Type
Blue Housing Kits				
210-H-75SS-B-KIT	10" Three Piece Filter Housing	2 x 10	3/4"	Stainless Steel NPT
220-H-75SS-B-KIT	20" Three Piece Filter Housing	2 x 20	3/4"	Stainless Steel NPT
410-H-I-B-KIT	4 x 10" Big Filter Housing	4 x 10	1"	Double Ring Plastic NPT
Clear Housing Kits				
210-H-75SS-C-KIT	10" Three Piece Filter Housing	2 x 10	3/4"	Stainless Steel NPT
220-H-75SS-C-KIT	20" Three Piece Filter Housing	2 x 20	3/4"	Stainless Steel NPT
410-H-I-C-KIT	4 x 10" Big Filter Housing	4 x 10	1"	Double Ring Plastic NPT
